PHILOSOPHY

To provide training that is complete, relevant, and inspiring for careers that make people look and feel better is as noble an endeavor as is the work for which the training is intended.

OPPORTUNITY

If you want to earn a good income, do something creative, have pride in your work, meet people and enjoy what you do, Cosmetology and Manicuring are each avenues of opportunity to a wide variety of fascinating positions. Being a stylist in a salon is just one of many. Positions are available as traveling stylists, teachers, color specialists, makeup consultants, nail artists, skin care technicians, Spa experts, precision hair cutters, etc., if you have been trained in a school that offers the relevant education and experience necessary for you to compete.

We extend a cordial invitation to you to visit our schools and see our programs in action! You will note busy clinics where students get much practical experience. While book work and lectures are important, our experience has proven there is no substitute for actually performing the services on live models (clients) , under close instructor supervision. This blend of training produces a graduate not only knowledgeable but also well-skilled to compete and succeed.

SEXUAL HARASSMENT, ANTI-BULLYING AND ANTI-HAZING POLICY

Hair Academy is committed to ensuring an educational environment free of sexual harassment, sexual violence or harassment based on sexual orientation. Hair Academy believes that all students have a right to a safe school environment. Hair Academy, its staff and students have an obligation to promote mutual respect, tolerance and acceptance.

Hair Academy will not tolerate behavior that infringes on the safety of any student or staff member. A student/staff shall not intimidate, harass or bully another student/staff through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; malicious gossip, verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

Definition of Sexual Harassment: Unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature may constitute sexual harassment when:

- a. Submission to such conduct is made either explicitly or implicitly as a term or condition of an evaluation of a student's academic performance, term or condition of participation in student activities or in other events or activities sanctioned by the institution.
- b. Submission to or rejection of such conduct by an individual is used as the basis for academic decisions or other decisions about participation in student activities or other events/activities sanctioned by the institution.
- c. Such conduct has the purpose or effect of threatening an individual's academic performance; or creating an intimidating, hostile or offensive educational environment.

Sexual Harassment is a violation of Section 703 of Title VII of the Civil Rights Act of 1964 as amended in 1972, (42 U.S.C. S2000e, et, Sequa.) and is punishable under both federal and state laws.

Definition of Sexual Violence or Assault: acts of sexual violence, such as rape, acquaintance rape, or other forms of nonconsensual sexual activity or violence or harassment based on sexual orientation. These acts will not be tolerated at the institution as such acts are inappropriate and create an environment contrary to the goals and mission of the institution. Any such acts will be thoroughly investigated and will subject an individual to appropriate disciplinary sanctions and/or possible action by appropriate law enforcement agencies.

It is the responsibility of all persons within Hair Academy to ensure an educational environment free from sexually violent and/or harassing behavior. All members of the institution (student and staff) are expected to report incidents of sexual harassment, sexual violence or assault and harassment based on sexual orientation.

The institution's administration is the designated Sexual Harassment Officer responsible for investigating complaints of sexual harassment, sexual violence, harassment based on sexual orientation, and alleged sexual harassment which has not resulted in a complaint.

Students who experience sexual harassment should be encouraged to make it clear to the alleged offender that such behavior is offensive. However, failure to comply with this provision does not defeat the investigation.

Efforts shall be made to protect the privacy of the complainants within the constraints of the law. Complainants shall be protected, to the extent possible, from retaliation. Appropriate and immediate attention will be given to complaints. For all formal complaints of sexual harassment, sexual violence or violence based on sexual orientation, the director shall determine the action to be taken, implement the action and notify both parties of the action. A memorandum of such action will be sent to Hair Academy's Human Resources Department. Individuals found in violation of these policies will be subject to appropriate disciplinary sanctions, including possible expulsion from Hair Academy.

If the perpetrator of a sexual violence/assault is a student, the student will be subject to disciplinary measures by the institution. In the program of any sexual violence/assault proceedings, the victim, the victim's support person of choice, or attorney may be present.

Hair Academy Administration, in cooperation with the appropriate law enforcement authorities and at the victim's request, shall shield the victim from unwanted contact with the alleged assailant, including transfer of the victim to alternate classes, if alternative classes are available and feasible.

Consensual romantic/sexual relations between staff and student are not allowed and disciplinary action will result. Substantial risks are involved even in seemingly consensual sexual relationships where a power differential exists between the involved parties.

Claims of consensual romantic/sexual relationship will not protect individuals from sexual harassment charges nor guarantee a successful defense if charges are made. It is the staff member who will bear the burden of accountability because of his/her special power and responsibility and it will be exceedingly difficult to use mutual consent as a defense.

ATTENDANCE POLICY

Good attendance is crucial for success in our professions.

1. All students (unless special hours have been arranged upon enrollment) are expected to attend school 32.5 hours on each week on the full-time schedule and 3 hours minimum per day/19.5 hours per week on the part-time schedule.

2. Junior Theory is very crucial part of basic training, therefore, our policy is that any more than three days absent (without prior permission or a doctors excuse) may result in the student's dismissal from junior training. In the event, the student would re-enter the next junior class at the point at which they were dismissed.
3. If there is a problem and you feel you must miss school, you must call the school and speak to an instructor before 9:00 a.m. Failure to do so will produce an unexcused absence and the instructor who will determine whether or not it is excused will review each absence. If absent more than a week, bring in a doctors excuse, and call in daily.
4. Any student who is aware of a pre-existing health problem that could cause attendance or participation difficulties must bring a doctor's documentation of the problem to be placed in the student's permanent file.
5. Sign-in time for all students is promptly at 9:00 a.m. for full-time students.
6. According to State Board rules students must clock in for at least 3 hours a day or they will not receive any hours for that day.
7. All students must sign out whenever leaving the school and must sign in upon their return.
8. Any student who becomes ill while attending school and is unable to participate, must sign out and will be sent home.
9. Time sheets must be completed each day before leaving. At the end of each week, time sheets are to be totaled. Time sheets must be tallied at the end of each month. It is the responsibility of every student to determine any errors. Turn in completed sheets into the instructor.

LUNCH PERIOD / BREAK ROOM

STUDENT GRIEVANCE PROCEDURE

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Owner.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.
8. Contact information for the institution's licensing and accrediting agency can be found elsewhere in this catalog.

LEAVE OF ABSENCE POLICY

A student who must take an approved Leave of Absence (LOA) or must withdraw from training will return to school in the same satisfactory academic progress status as prior to the leave of absence. A student may be granted a LOA for any of the following reasons and where there is a reasonable expectation that the student will return from the LOA:

1. Financial Hardship
2. Medical Issues
3. Personal or Family Related Matters
4. Incarceration

The LOA must be requested and approved in writing prior to LOA occurring. In addition, the student is required to list the reason for the LOA and their signature is required on the LOA form. Emergency LOA, without prior written request,

may be granted provided the student completes the LOA form and returns it to school via mail or in person within reasonable resolution of the emergency. In an instance of an emergency LOA, the beginning date of the approved LOA would be determined to be the first date the student was unable to attend due to the emergency. A student who is granted a LOA that meets the above mentioned criteria is not considered to have withdrawn from the institution and a refund calculation is not required. The institution may not assess the student any additional institutional charges as a result of the LOA.

The LOA together with any additional leaves of absence must not exceed a total of 180 days in any 12-month period.

If the student does not return from the LOA on the date designated, the student will be withdrawn from the institution. The institution is required to take attendance and therefore the withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.

On the day the student returns from a LOA the student is required to complete an enrollment agreement addendum, and must be signed and dated by all parties. The student's contract and maximum time frame will be extended for the same number of days the student was on LOA without any additional institutional charges or penalty to the student. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties.

If a student is absent 14 consecutive calendar days without being on an official Leave of Absence, they will be considered withdrawn.

The institution is not responsible for any equipment left at the school.

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	450, 900 and 1200 actual clocked
Manicuring	hours 100 actual clocked hours
Cosmetology Advanced (300)	150 actual clock hours
Manicuring Advanced	50 actual clocked hours
Esthetician	375 actual clock hours

***Transfer Students-** Midpoint of the contracted hours or the established evaluation periods, whichever comes first. SAP evaluations periods are based on actual contracted hours at the institution.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course or academic year, whichever occurs sooner.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 70% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory academic progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Course	Maximum Time Allowed	
	Scheduled Weeks	Scheduled Hours
Cosmetology-1500 Hours (full time/47 Weeks)	66	2145
Cosmetology-1500 Hours (part time/100 Weeks)	110	2145
Manicuring-200 Hours (full time/7 weeks)	9	286
Manicuring -200 Hours (part time/14 Weeks)	15	286
Cosmetology Advanced-300 Hours (full time/10 Weeks)	13.2	429
Cosmetology Advanced-300 Hours (part time/16 Weeks)	22	429
Manicuring Advanced-100 Hours (full time/3 Weeks)	4.4	143
Manicuring Advanced-100 Hours (part time/6 Weeks)	7.3	143
Advanced Esthetician-750 Hours (part time/39 Weeks)	55	1072.5

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 70% of the scheduled hours. Students who have not completed the course within the maximum time frame may continue as a student at the institution on a cash pay basis.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Tests are graded based on a percentage score (0%-100%). **75% is the minimum score to pass.** 0%-74% receives a failing grade. 75%-100% receives a passing grade.

Numerical grades are considered according to the following scale:

93-100	Excellent
85-92	Very Good
75-84	Satisfactory
74 and below	Unsatisfactory-Failing

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements of a 75% for academics and 70% for attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding* interrupted, as applicable, unless the student is on warning.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress, will be deemed ineligible to receive Title IV funds*, as applicable, and will be terminated from the program unless financial arrangements are made with the school.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid*, as applicable, by meeting minimum attendance and academic requirements at the next scheduled evaluation.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

REFUND POLICY (as stated on the Enrollment Agreement)

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

Any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

 - 2. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, regardless of whether or not the student has actually started classes.
 - 3. A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases he/she shall be entitled to a refund of all monies paid to the school less the non-refundable registration fee in the amount of \$200.
 - 4. A student notifies the institution of his/her withdrawal in writing.
 - 5. A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
 - 6. A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 calendar days.)
 - 7. In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.

If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. This refund policy applies to tuition and fees charged in the enrollment agreement. All fees are identified in the catalog and in this enrollment agreement.
- If a Title IV financial aid* recipient withdraws prior to course completion, a calculation for return of TIV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

ADDITIONAL EXPENSES

I have been informed of additional expenses related to my attendance including the cost of uniforms, shoes, writing materials, replacement of lost or damaged equipment, replacement of personal supplies or materials for my personal use, travel costs, graduation fees, meal costs, and child care if applicable. I understand and agree that these expenses are for goods and/or services for my personal use and represent costs to me to attend school above and beyond specific course fees that I have agreed to pay.

TITLE IV FEDERAL FINANCIAL AID (FFA)

Return of Title IV Federal Financial Aid (FFA): If Federal Financial Aid (FFA) is used to pay tuition for a student training, and the student does not complete that training, the student may be entitled to only a portion of that FFA, and the school must return to the appropriate FFA program and FFA exceeding that to which the student is entitled.

FOLLOWING IS THE FEDERAL POLICY FOR RETURN OF TITLE IV AID

The law specifies how a school must determine the amount of Title IV financial aid a student earns if the student withdraws from school. The Title IV programs covered by this law are: Federal Pell Grants, Direct Student Loans, PLUS loans, and Federal Supplemental Education Opportunity Grants (FSEOGs).

All RT24 calculations are completed within 30 days from the Date of Determination (DOD) and all refunds back to the US Department of Education are returned within 45 days from the DOD. Any credit balances currently on the students account will be disbursed within 14 days of withdrawal

The return of Federal Title IV Funds Policy applies to any student who receives Title IV funding and withdraws. The withdrawal process is defined as occurring when a student notifies, in written form, the Financial Aid Office of his/her intent to withdraw. Whether or not notification is given or whether or not the student begins the withdrawal process, the school will determine the date of withdrawal as the date the student ceased attendance. The Return to Title IV formula determines the amount of Title IV funds a student has earned at the time the student ceases attendance and the amount of Title IV funds a student must return. This includes any money disbursed to the student as "personal living expenses."

The amount of Title IV funds earned by a student is based on the amount of scheduled attendance by the student for that payment period. The amount of Title IV funds a student earns is a proportional calculation based on the amount of time the student is scheduled to attend school through 60 percent of the payment period. If a student ceases to attend school after 60 percent of the payment period, the student earns 100 percent of the Title IV funds. If the student withdraws the amount of Title IV aid the student has earned up to that point is determined by a specific formula. If a student received (or the school or parent received on behalf of the student) less assistance than the amount the student earned, the student may be able to receive the additional funds. If the student received more assistance than the student earned, the excess funds must be returned by the school and/or the student.

The amount of assistance that the student has earned is determined on a pro rata basis. For example, if the student was scheduled 30% of the payment period the student earned 30% of the aid they were originally scheduled to receive. Once the student has been scheduled more than 60% of the payment period the student earns all the aid that the student was scheduled to receive for that period. If the amount of Title IV grant or loan funds disbursed is greater than the amount a student earned, unearned funds must be returned. If the amount the student was disbursed is less than the amount the student earned, the student may be eligible to receive a post-withdrawal disbursement in the amount of the earned aid not received but otherwise eligible. If the post-withdrawal disbursement includes loan funds, the student may choose to decline the loan funds so that the student may not incur additional debt. The school may automatically use all or a portion of the student post-withdrawal disbursement (including loan funds, if the student accepts the funds) for tuition. For all other school charges, the school needs the student's permission to use the post-withdrawal disbursement. If the student does not give permission, the student will be offered the funds.

However, it may be in the student's best interest to allow the school to keep the funds to reduce the student's debt at the school. If it is determined that unearned Title IV funds must be returned, the responsibility is allocated between the school and the student. The school's responsibility for returning unearned funds is limited to the greater of the Title IV funds that the student was scheduled to receive that the student cannot earn once the student withdraws because of eligibility requirements. For example, if the student has not completed the first 30 days of the program before the student withdraws, the student will not earn any Direct Loan funds that the student would have received had the student remained enrolled past the 30th day.

If the student receive (or the school or parent received on behalf of the student) excess Title IV program funds that must be returned, the school must return a portion of the excess equal to the lesser of:

1. The student's institutional charges multiplied by the unearned percentage of your funds, or
2. The entire amount of excess funds.

The school must return this amount even if it didn't keep this amount of the student Title IV program funds.

If the school is not required to return all of the excess funds, the student must return the remaining amount. Any loan funds that the student must return, the student (or the parent for a PLUS Loan) must repay in accordance with the terms of the promissory note. That is, the student (or the parent for a PLUS Loan) will make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that the student must return is called an overpayment. The amount of a grant overpayment that the student must repay is half of the unearned amount. The student must make arrangements with the school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when the student withdraws is separate from any refund policy that the school may have. Therefore, the student may still owe funds to the school to cover unpaid institutional charges. The school may also charge the student for any Title IV program funds that the school was required to return.

If a student has questions about Title IV program funds, students may call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913 or log on the Student Aid Site: www.studentaid.ed.gov.

THE FOLLOWING IS THE FEDERAL POLICY FOR DISTRIBUTION OF RETURNING OF TITLE IV:

Return of Federal Title IV funds will be distributed in the following order:

1. Unsubsidized Direct Stafford Loans (other than PLUS Loans)
2. Subsidized Direct Stafford Loans
3. Federal PLUS loans
4. Direct PLUS loans
5. Federal Pell Grant for which a Return is required

STUDENT SCHEDULES

We offer a variety of schedules. Deviations from the set schedules requiring special schedule arrangements must be approved administratively prior to enrollment. Consult your admissions representative to request a special schedule.

ADMINISTRATIVE WAIVER

The school reserves the right to waive certain specific portions of the Catalog for good cause, provided doing so is not in violation of laws, regulations, or criteria with which the school must comply. In no event shall such waiver be construed to represent precedent or to negate the full force and effect of any portion of the Catalog.

STUDENT CONSUMER INFORMATION

Although much information is contained in this catalog and in our enrollment agreement, persons interested in obtaining more detailed facts may do so by submitting their request for such in writing or by telephone. Prospective students seeking to obtain this information, or a copy of the enrollment agreement, should address such requests to our office at 62 Consumer Drive Chillicothe, Ohio 45601 (740-774-4247). Enrolled students should also address such request to the office. Hair Academy LLC is committed to providing all required information to students and prospective students, and to comply with all laws and regulations.

CAMPUS SECURITY ACT of 1990

Any interested applicant may receive details regarding our compliance with the Campus Security Act of 1990 by submitting a written request to our administrative office. This "act" mandates the publishing of specific crime statistics, even if a school has had no such crime, and requires the same statistics be published by small schools as is required of large universities.

The Hair Academy LLC has had no crime for the year of 2023. Our school has O(zero) for all statistics, which includes Criminal Offenses (murder, motor vehicle, theft, burglary, sex offenses, robbery and aggravated assault) and arrest for crimes on Campus (liquor violations, drug violations and weapon violations).

INFORMATION ABOUT THE PROFESSIONS

The physical demands of the disciplines offered at our institution vary with the individual's schedule and types of services rendered. Most salon positions require standing for long periods, bending at the waist, and keeping the arms raised. Professional working with nail or skin care will spend most of their workdays seated. Some individuals find the cosmetology/barber styling profession physically tiring but proper work habits can help reduce fatigue and injury. Also, much of the work involves close-up detail, requiring good corrected vision and reasonable hand-eye co-ordination.

PROFESSIONAL SAFETY

Safety in the work place is very important. Students in our schools are trained in safety and sanitary procedures for their own protection and that of their clients. Safety and sanitary rules include: reading and following

manufacturers' directions; wearing protective gloves, masks, etc. when necessary; keeping floors clear and dry; securing sharp or hot tools; keeping a first aid kit available; preventing the spread of disease through proper disinfection techniques; and maintaining good posture.

COMPENSATION

Success requires a good attitude, hard work and perseverance. Compensation varies with each job, and most salon positions begin with a minimum wage salary, which may be supplemented with a commission based upon the gross income provided to the salon by the stylist. It is important to realize that our industry is a career-growth industry, and you must expect it will take time to develop a large clientele and the substantial compensation for which our industry is noted. Other forms of compensation include booth rental, salary, and straight or escalating commission.

JOB PLACEMENT

Accreditation standards prohibit our school from guaranteeing employment to our graduates. However, the school does provide a list of available job openings as well as counseling assistance. Any student or graduate may obtain such a list and or counseling by submitting a written request to the Administrative office. Additionally, students are offered a variety of opportunities for exposure to salons through school sponsored activities, interning opportunities and individual salon visits.

EMPLOYMENT REQUIREMENTS

Employment requirements for cosmetology related professions may differ from most jobs due to the nature and traditions of the professions. Some requirements may include:

1. Work Scheduling:
 - Employee work schedules may include evenings and weekends in order to accommodate client's needs.
 - Overtime may be part of the normal schedule in order to complete client services.
2. Client Retention Skills:
 - Many businesses in the profession require that employees either bring an established clientele with them or are able to develop and maintain enough clients to meet business goals.
3. Professional Development:
 - Due to the constantly evolving state of the profession, employers (and license renewal) require continuing education. This might include mandated training through the business or employees may be required to attain the requisite education at their own cost and time.

Other professional employment requirements may include completing services within established time and meeting service and retail sales goals set by the employer.

Federal Financial Aid

The Federal Pell Grant and Federal Direct Loans are an important source of aid for students. The amount of the award depends upon the determination of the student's eligibility based on the U.S. Department of Education guidelines. Pell grants do not have to be repaid.

Financial need is based on an analysis of information provided by the student on a Free Application for Federal Student Aid (FAFSA) form.

Who Qualifies for Financial Aid

To be considered eligible for and receive Title IV aid, a student must meet the following specific requirements:

- Be a U.S. citizen or eligible non-citizen

A Student's income tax form (if filed) and/or parents tax form(s) for the appropriate year are needed to complete the FAFSA. Students are encouraged to use the IRS Data Retrieval Tool when completing the FAFSA. This tool allows students and parents to access the IRS tax return information needed to complete the FAFSA and transfer the data directly to their FAFSA. If students or parents need a copy of their tax return, they can call 1-800-829-1040 and request IRS tax transcript or go the IRS website at www.irs.gov **NOTE - All students requesting federal loans must complete an Entrance Counseling and a Master Promissory Note (MPN) which can be found at <https://studentloans.gov>. A student may also contact the Hair Academy's School Director for assistance regarding general school issues. The list of current school personnel is provided to all enrolled students in the official Hair Academy LLC school catalog, which is also available online at hairacademyllc.com

FEDERAL STUDENT AID PROGRAMS

The federal aid programs available at Hair Academy LLC are divided into two types - grants and loans. Grants are awards that normally do not have to be repaid (NOTE - A student who withdraws prior to completing a payment period may be required to repay unearned grant funds). Student loans and parent loans are made available by the U.S. Department of Education to eligible borrowers and must be repaid.

The Federal Pell Grant is an award available to undergraduate students who meet federal eligibility guidelines. Pell Grant awards vary from year to year and from student to student. Eligibility is based on family income level and financial resources, as well as other personal factors. Pell Grant awards currently range from \$845 to \$6895 per award year for qualified applicants.

Parent Loans for Undergraduate Students - PLUS Loans - are low-interest, fixed-rate loans made to creditworthy parents of Dependent students to pay for the educational expenses of their dependent. The interest rate on disbursements made on or after July 01, 2022 through June 30, 2023 is 7.54%. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students".

Exceptions to the above rule are:

- School Officials with legitimate educational interest.
- Other schools to which a student is transferring.
- Specified officials for audit or evaluation purposes.
- Appropriate parties in connection with financial aid to a student.
- Organizations conducting certain studies for or on behalf of the school.
- NACCAS staff, commissioners and evaluators for NACCAS.
- U.S. Department of Education.

- State and local authorities, within a juvenile justice system, pursuant to specific state law.
- Subpoenas by court order.

Parents or eligible students have a right to inspect and review their records at any time during normal business hours. Records must be inspected in an administrative office and will not be taken to any other area of the school or leave the school building. Parents and eligible students have the right to request an amendment of their records and if denied may make a written request for a hearing.

Records will include, but not be limited to:

- Required enrollment application and supporting documents.
- Progress Reports.
- Student Financial Aid reports.
- Payments and tuition evaluation data balances
- Other evaluation data

Student school records are safeguarded and maintained in fireproof file cabinets. Student academic records are kept in files located in the administrator offices.

Eligible Students and parents of dependent minor students may obtain additional copies of documents for a fee of \$5.00 per copy. Student school records are maintained for a minimum of six years.

Hair Academy may disclose directory-type information such as name, address, telephone number, date and place of birth, honors and awards, dates of attendance and attendance percentages. Parents or eligible students may opt out by completing a Hair Academy "opt-out" form at any time.
